

Want market rates & long-term monthly leases for your rental properties, without all the stress?

As your new Favorite Tenant, we solve the 3 biggest headaches of being a landlord:

Challenge

#1 Chasing down tenant's late rent or going through lengthy evictions

Solution

We send no stress, automatic monthly direct deposit rent payments, each guest gets a temporary keyless entry code, so you never lose a key

#2 Irresponsible tenants doing costly damage to your investment property

Pet free & smoke free, security deposits, continuous professional cleaning & insurance are all included

#3 Listing & showing properties & researching tenants to avoid vacancies

We handle everything & if it's vacant, you still get your monthly payments

Short term Airbnb guests pay more per night than long term renters but require **dramatically more work**. Our AI & economies of scale allow us to manage **the setup, booking, hospitality and ongoing logistics of short term rentals efficiently & keep the difference**. Our landlords rest easy knowing that **their property & automatic monthly payments are stress-free & 100% guaranteed**.
